PCA Family Reunion June 16-20, 2014!

This summer many of you may be looking forward to the joy of family reunions. I will be attending a family reunion the week of June 16-20, 2014 in Houston, Texas with my brothers and sisters in the PCA and I want to invite you to join me. The theme of this year's General Assembly (GA) is *Proclaim Christ- Disciple the Nations*. GA will provide opportunities to build community through a strong foundation of prayer and solid biblical teaching. Houston is a fun gathering spot and I have been told that it is the fourth largest city in America quickly gaining on my hometown, Chicago. The GA host committee has planned many amazing connection points for us throughout the week. I hope to see you there as I look forward to greeting old friends as well as the thrill of making new friends.

Hope to see you in June!

2014 Women's Ministry Love Gift

The 2014 Women's Ministry Love Gift will benefit the work of Christian Education and Publications (CEP), and particularly the work of discipleship among women in the PCA. Women play a life-giving role in the life and ministry of the Church, and we must seek to address the needs of women in our culture with the encouragement of Christ-centered community and the redemptive truth of God's Word.

Your gift of \$25, \$50, \$100, or any amount will equip women to understand God's Word better through Bible study or to serve the body of Christ well through training designed to develop teachers and mentors. Our goal is to raise \$120,000 with which we hope to create and distribute a variety of resources designed for women in the local church:

- Video-based training for ministry leaders
- Intergenerational resources for life-on-life discipleship
- Exegetical Bible study materials
- Scholarships for women to attend training events
- "Seed money" to offer regional training throughout the PCA
