## PCA Women's Ministry Newsletter

### 2013 WIC Love Gift

*This year we are supporting Ridge Haven!*

- **A PCA family** describes Ridge Haven Conference Center as one of their 'places of enchantment'...a place where they can marvel and wonder at God's creation. For them it is a place where they find rest, peace, and the fellowship of family and friends.
- **A Camp counselor** writes, "Ridge Haven is a place where I feel completely loved by everyone, where I meet forever friends, get solid biblical teaching, mature in my Christian walk, and share my faith with the next generation."
- **A PCA Widow** shares that participating in the annual Ridge Haven Keenagers Conference has connected her with dear friends while growing her love and service for the Lord and His people.
- **A First Time Ridge Haven Camper** pronounced, "Ridge Haven is a fun camp that I loved. One of my favorite parts was the ropes course, swing and rock wall. The food is good too!"

**Local/Preswic Leadership**...as you make plans for a new year of ministry, don't forget to plug in the 2013 Women's Ministry Love Gift as a possible program and offering. *Be bold and invite Wallace Anderson, Executive Director of Ridge Haven to come to be part of your annual Love Gift event ([Wallace@ridgehaven.org](mailto:Wallace@ridgehaven.org))*. Three weeks ago, I did just that and my local church, Old Peachtree PCA had the delight of hosting Wallace and Paige in worship and in our annual love gift presentation—it was a good day!

Remember, the purpose of the annual Women in the Church Love Gift, started in 1974, is to promote and provide the opportunity for PCA women to love, support, and serve the ten PCA Committees and Agencies.

Showing the annual Love Gift in your church/PresWIC does several things: educates the people in the pew, promotes unity and greater understanding of the PCA, and provides good opportunities for monies to be channeled to specific ministry needs. To date...PCA women have loved their church by giving \$3,174,386. Please join us in loving, serving and encouraging Ridge Haven!
